

LIFETIME PRODUCT PERFORMANCE GUARANTEE! – For the Keystone Platinum Refinish Series

LKQ Corporation, and its subsidiaries, including Keystone Automotive Industries, Inc. (“LKQ”), distributes a broad range of new, recycled, remanufactured, reconditioned automotive and truck replacement products along with the Keystone Platinum Refinish Series (paint, product & labor) through its company owned and operated locations. The Platinum Refinish Series is our own brand of paint and related body repair products and is one the industry’s leading premium brands. Platinum Refinish suppliers meet all the specifications of the Keystone Platinum Plus Quality Assurance Program, which is a specific set of requirements that LKQ has established for suppliers which is similar to what the OEM’s require of their suppliers.

WHAT IS COVERED

LKQ warrants its products to be free of defects in materials and workmanship for the warranty period indicated on or referenced by the invoice from the date of use upon the following conditions:

1. A qualified technician performed the repair.
2. Appropriate products were used to perform the type of repair (including recommended quantities and types of basecoats).
3. Proper determination (in LKQ’s reasonable opinion) is made that failure was due solely to Keystone Platinum Refinish products.

If these conditions are met, LKQ Corporation, through its subsidiaries, will provide a credit for sufficient materials and reasonable labor necessary to repaint the vehicle. Labor will be determined by market labor pricing and hours based on the collision repair manuals (Mitchell or Motors) for the date the claim is made.

If you are unable to obtain satisfactory service, please contact the LKQ Warranty Department, 655 Grassmere Park Drive, Nashville, TN 37211. This warranty applies to vehicles registered and normally operated in the United States and Canada.
